

Dear Pacific FC Youth Players and Families,

We would like to pass on some information about regional ID camps for our VI Wave players. ID camps are attended individually, in most cases, and are a good chance to visit a post secondary campus, meet University coaches, and get a feel for the environment and level of play, as well as be seen for recruitment. Many of these below are post-secondary ID Camps, however we have added some non-school related ID Camps at the end of the document that might be of interest as well.

Some schools have not communicated when they will hold such camps, so we have provided their athletic websites so you can periodically check in case you are interested in a particular school. This is not a list of every camp out there. Note: ID Camps can be added at these schools at any time. Every school will potentially have ID Camps, but there is no schedule for when schools typically put them out.

Please reach out if there is a school of interest not on the list, or for any further questions. If you attend an ID Camp, please inform your coach as well as the Technical Director (rgrant@pacificfc.ca) and myself (jgrant@pacificfc.ca) so we can further guide & advise you with this process.

Wishing you well with the post-secondary process!

Cost: \$100 (plus tax)

Location: Trinity Western University - South Field

This camp is designed for players who want a Canada West experience and are interested in seeing if they have what it takes to play at the next level. This camp will help you prepare for being recruited. The sessions include skill and tactical development as well as sessions on character traits needed for success at the university level. There will also be a session on "how to make yourself stand out for a better chance of being recruited."

REGISTER HERE

When you click on "Register Here" for the camp(s) of your choice, you will be asked to set up an account if you do not already have one. You must create an account in the name of an adult. Be sure to indicate birthdate of the adult where prompted. Once you have set up the account as an adult, you can click on "add family members" to add one, or more, family members to the adult's account. Once family members have been added you can register anyone listed on that account for a camp. If you do not make an account as an adult first, the system will not allow you to register as a child is not old enough to hold a valid credit card for payment.
