WHO WE ARE

At Canadian Soccer Media & Entertainment (CSME) and the Canadian Premier League (CPL), we are building something bigger than a league or a company — we are building the world’s first integrated soccer hub. Guided by our **North Star**, our ambition is clear: to connect teams, leagues, stars, stories, and partners into a unified ecosystem that inspires millions of fans, fuels sustainable growth, and creates enduring value for Canadian soccer — at home and on the global stage.

We operate as two organizations under one roof, united by the mission to elevate soccer as **Canada’s #1 sport**:

- **Canadian Premier League (CPL)** — Canada’s Tier 1 domestic professional men’s league — showcases elite competition across communities from coast to coast. From our national championship pathway to participation in the global FIFA ecosystem, we are building a league that reflects the ambition, diversity, and potential of our country.
- **Canadian Soccer Media & Entertainment (CSME)** — the commercial engine powering Canadian soccer — manages and markets key media rights, league properties, and national team partnerships across Canada Soccer’s Women’s, Men’s, and Youth National Teams, Premier Soccer Leagues Canada, and the CPL’s member clubs. Through innovation in media, partnerships, and fan engagement, CSME amplifies the sport’s reach and impact nationwide.

Our **Growth Engine** fuels everything we do:

- Soccer is our heartbeat
- Media and storytelling is our amplifier
- Business is our fuel

We are a team defined by our **Organizational Values**:

- **High-Performance** — clarity, accountability, teamwork, and best-in-class execution

- **Innovation** — a willingness to challenge convention and shape what's next
- **Passion** — a shared purpose, community connection, and commitment to continuous improvement

As we accelerate toward 2026 and beyond, this is a historic moment for soccer in Canada — and an extraordinary time to join our team. We work primarily **in-person from our Toronto headquarters**, because collaboration and connection make us better. We also support a **flexible hybrid environment (1–2 days working from home)** to help our people do their best work.

We are proud to be an **inclusive, equitable employer** that celebrates the diversity of our staff, our players, our fans, and the communities we serve.
